Mountain gear list

Kilimanjaro and Mount Meru. Tick each item as you pack it.

Provided by Mzigua Tours
Sleeping tents, mess tent, kitchen and medical tents, mattress and chair, all meals and park fees. Items marked **rent** can be hired cheaply, in cash, from our rental office in Moshi.

Bag weight
Your main duffel bag must not weigh more than 15 kg. Your porters carry it, so pack it in a waterproof bag. Keep only what you need during the day in your daypack.

Documents and money

☐ Passport, valid for at least 6 months	Keep it in your daypack
☐ Tanzanian visa	$50 for most travellers, $100 for U.S. citizens
☐ Travel and medical insurance	Mandatory: high-altitude trekking and evacuation cover
☐ Cash for tips and rentals	Tips are per day: porters $7, cooks $10, guides $15
☐ Copies of passport and insurance	Paper and phone photo

Bags and sleeping

☐ Large duffel bag, max 15 kg	Waterproof, with a padlock
☐ Daypack, 25 to 35 litres	With a rain cover
☐ Sleeping bag rated -10 to -15 C	Rent
☐ Sleeping bag liner	Extra warmth and hygiene
☐ Dry bags or plastic liners	Keep clothes dry

Head, hands and eyes

☐ Warm woollen or fleece hat	For summit night
☐ Sun hat or cap	Strong sun at altitude
☐ Neck gaiter or buff	Dust and cold
☐ UV sunglasses	Category 3 or 4
☐ Headlamp and spare batteries	Needed for summit night
☐ Warm gloves and thin liner gloves	Insulated, waterproof outer

Clothing

☐ Moisture-wicking base layers, 2 to 3	Top and bottom

Clothing

☐	T-shirts, 2 to 3	Quick-drying
☐	Fleece or mid-layer jacket	For cold evenings
☐	Insulated (down) jacket	Essential for summit night
☐	Waterproof rain jacket and rain trousers	Rainforest zone is wet
☐	Hiking trousers, 2 pairs	Zip-off is handy
☐	Thermal leggings	Summit night
☐	Underwear, 4 to 5 pairs	Quick-drying
☐	Hiking socks, 4 pairs, and thick warm socks, 2 pairs	Wool or synthetic, no cotton

Footwear

☐	Waterproof hiking boots, well broken-in	Do not buy new boots just before the climb
☐	Camp shoes or sandals	For resting at camp
☐	Gaiters	Optional, keep out dust and stones

Equipment and health

☐	Trekking poles	Rent
☐	Water bottles or hydration bladder, 3 litres	Insulated cover helps in the cold
☐	Water purification tablets	Optional
☐	Sunscreen SPF 50 and lip balm	Reapply often
☐	Personal medication	Ask your doctor about altitude medication
☐	Blister plasters and basic first aid	Our guides carry a first-aid kit
☐	Toiletries, toilet paper, wet wipes, hand sanitizer	Biodegradable where possible
☐	Snacks and energy bars	Favourites you enjoy eating
☐	Camera, power bank and charging cables	Cold drains batteries, keep them warm

Safari gear list

Serengeti, Ngorongoro, Tarangire and Mkomazi. Tick each item as you pack it.

Pack light and soft
Use soft duffel bags rather than hard suitcases. They fit better in the safari vehicle. Early mornings can be cold and midday can be hot, so dress in layers.

Documents and money

☐	Passport and Tanzanian visa	$50 for most travellers, $100 for U.S. citizens
☐	Travel and medical insurance	Please carry a copy
☐	Cash in small notes	For tips and souvenirs
☐	Vaccination records	Ask your doctor what is advised

Clothing

☐	Light long-sleeve shirts, 2 to 3	Protection from sun and insects
☐	T-shirts, 2 to 3	Cotton or quick-drying
☐	Light trousers, 2 pairs	Quick-drying
☐	Shorts, 1 to 2 pairs	For warm afternoons
☐	Fleece or warm jacket	Cold mornings and Ngorongoro Crater rim
☐	Light rain jacket	Rain can come at any time
☐	Underwear and socks	Enough for each day
☐	Swimwear	Optional, for the pool or hot springs

Colours to choose

☐	Khaki, beige, olive and green	Blend in with the bush
☐	Avoid black and dark blue	Can attract tsetse flies in some parks
☐	Avoid bright colours	They can alarm wildlife

Footwear

☐	Comfortable closed shoes or light boots	For short walks and getting in and out of vehicles
☐	Sandals	For lodge and camp

Equipment and health

☐	Camera with a zoom lens, spare memory cards	Dust-proof bag helps

Equipment and health

☐	Binoculars	One per person is ideal
☐	Sun hat, UV sunglasses and scarf	Dust and sun
☐	Sunscreen and lip balm	High factor
☐	Insect repellent	Contains DEET or similar
☐	Malaria prevention	Please speak with your doctor before travel
☐	Personal medication and basic first aid	Enough for the whole trip
☐	Hand sanitizer and wet wipes	For the road
☐	Reusable water bottle	Refill from the vehicle supply
☐	Power bank, charging cables and plug adapter	Tanzania uses UK-type (G) sockets
☐	Small daypack	Keep camera and water within reach
